Final design class diagram

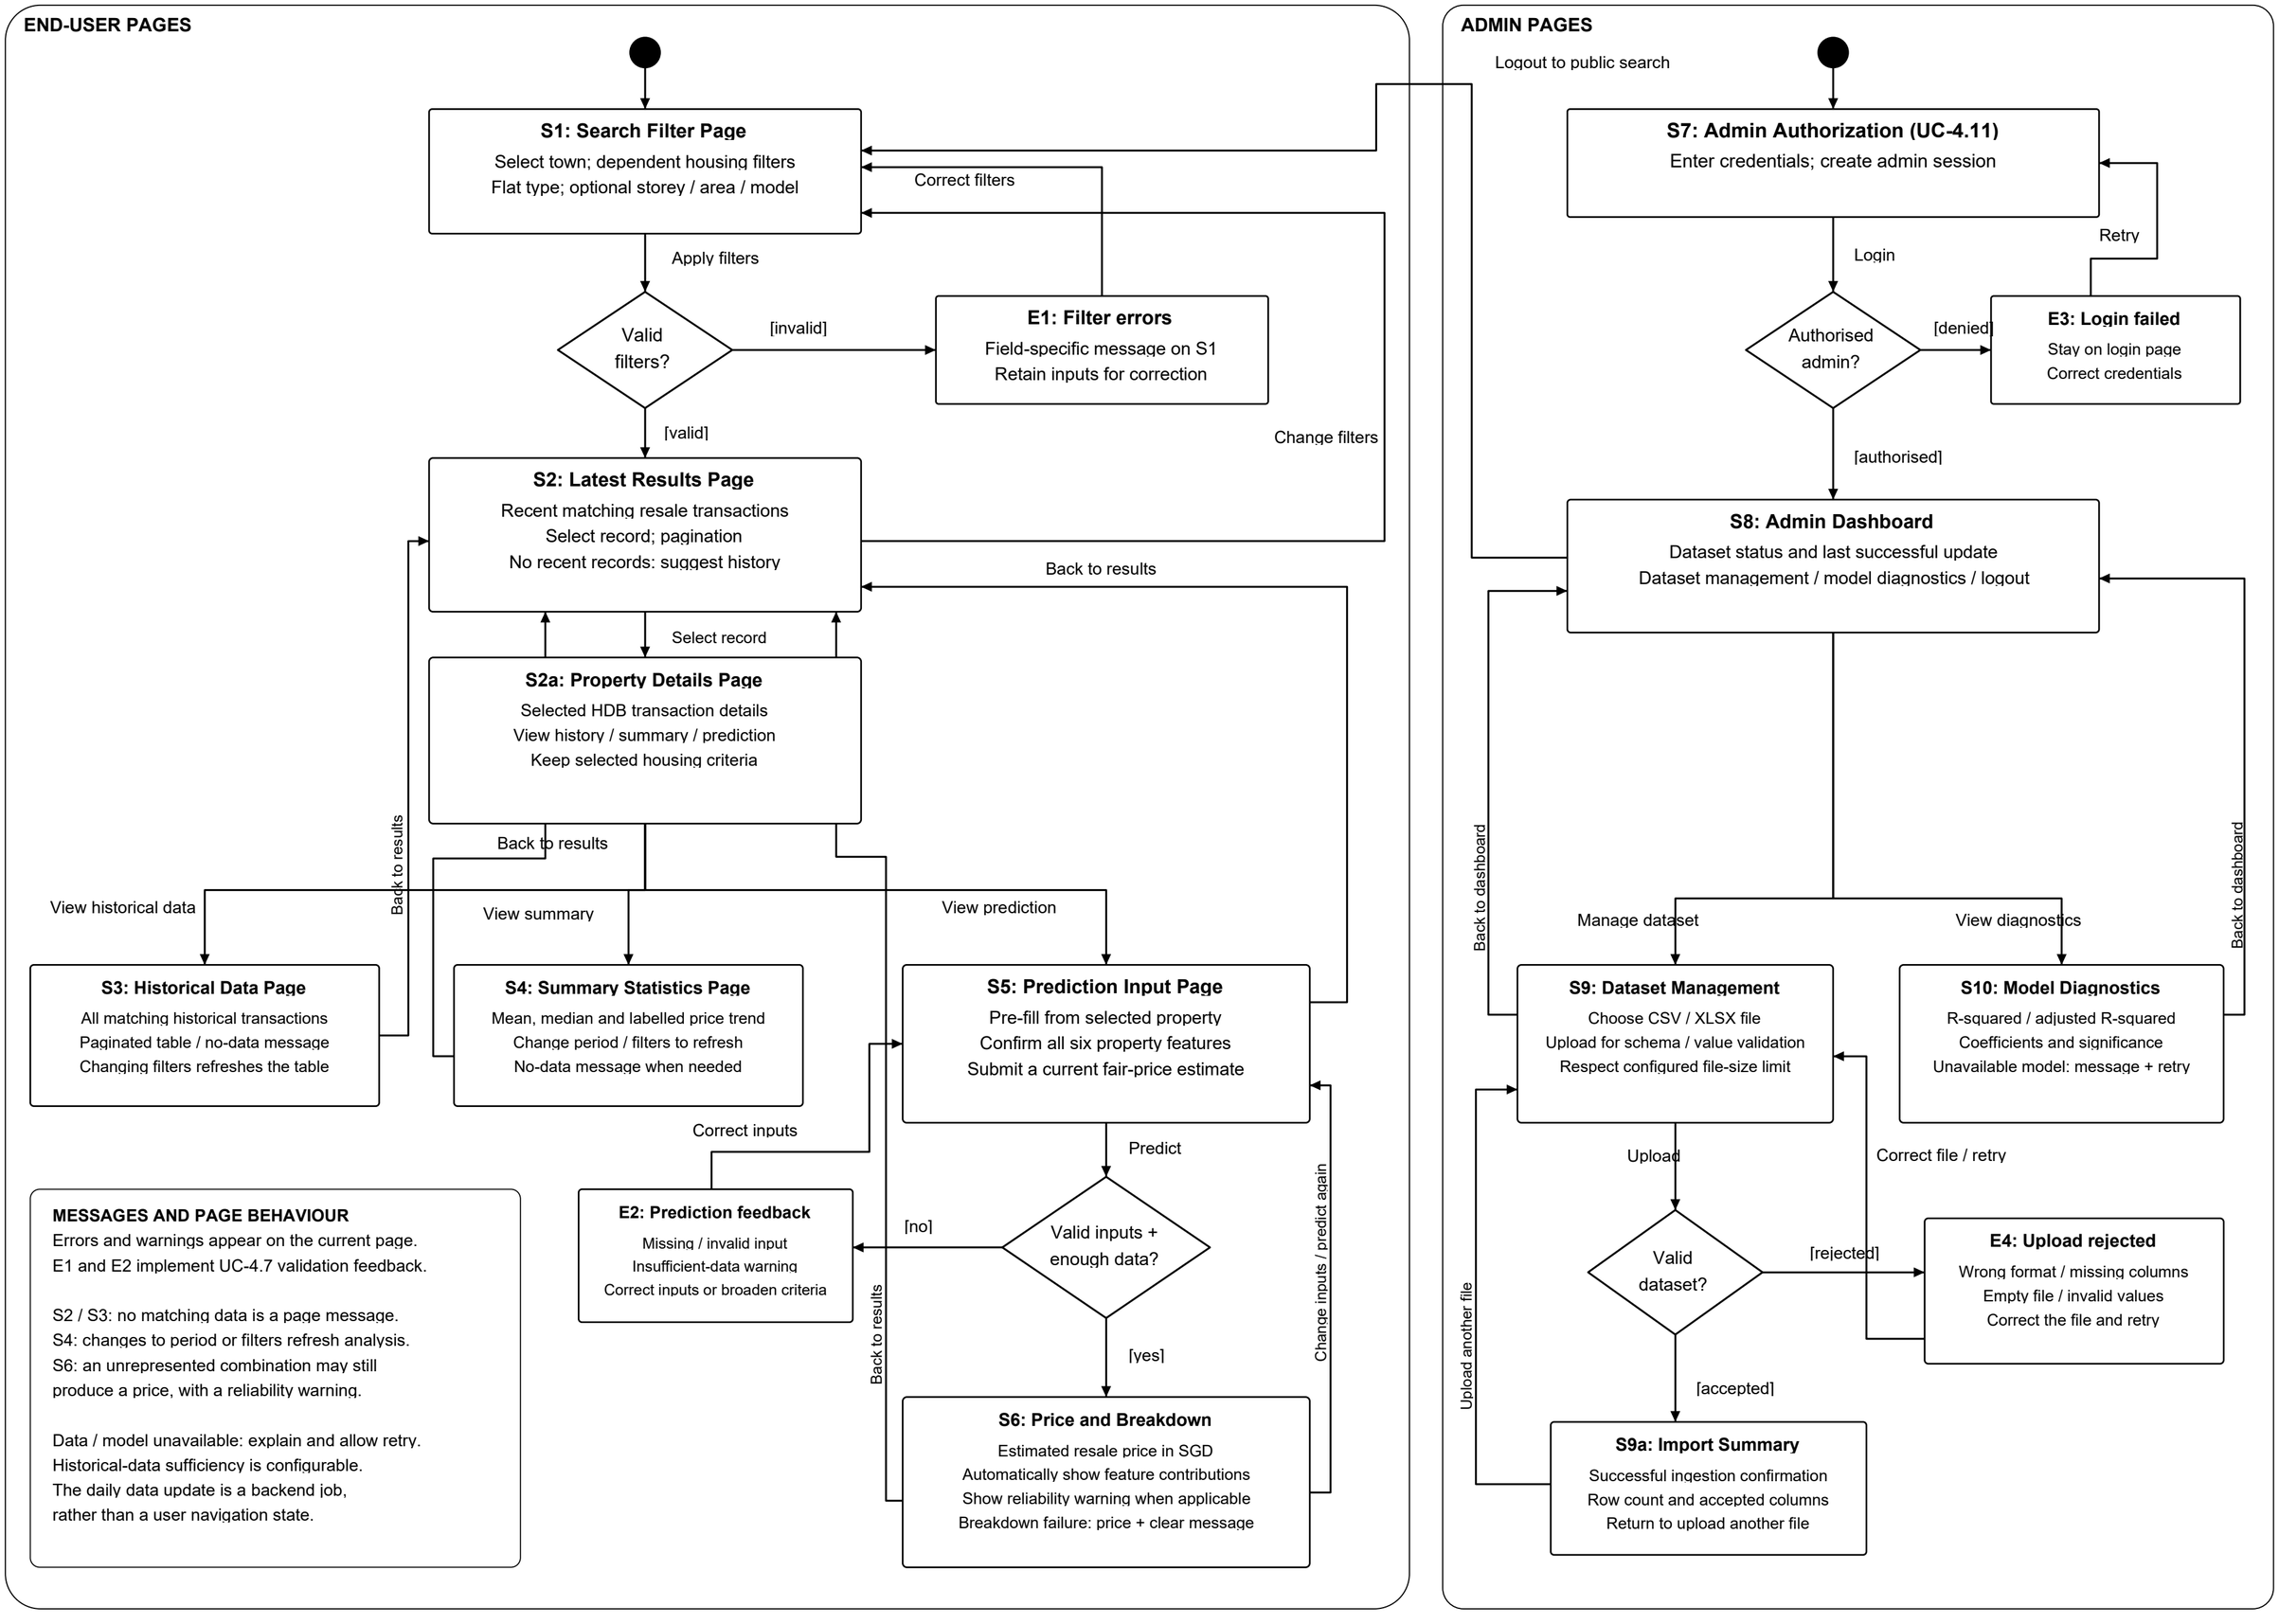

Edit text by selecting a text box. Use Shape Format or the Selection Pane to move objects and lines.

Design baseline: UC-4.1 to UC-4.11. Typed fields and methods, control classes, collections, a start-up class, persistence and admin access control.

Final dialog map

Edit text by selecting a text box. Use Shape Format or the Selection Pane to move objects and lines.

COMMON NAVIGATION

New search from public pages -> S1. Back to results preserves selected filters.

Close browser (from any page) → **End**

ACCESS CONTROL AND LEGEND

S8-S10 require an authorised admin session; expired session -> S7.
Rounded box: page / feedback state. Dashed box: error / warning.
Diamond: guard. Arrow label: action or guard outcome.
Prediction breakdown is automatic, within S6 (UC-4.6).

Final system architecture

Edit text by selecting a text box. Use Shape Format or the Selection Pane to move objects and lines.
